

FOAM

foam

OUR ROLL STOCK IS AVAILABLE IN BOTH STANDARD AND ANTI-STATIC FORM AND CAN BE CONVERTED INTO CUSTOM SHEETS.

KEY FEATURES

FEATURES	ADVANTAGE	BENEFITS
Made from 100% low density polyethylene (ldpe)	Makes foam a highly flexible wrapping material	Gives diverse packaging alternatives for surface protection, interleaving and cushioning
Manufactured without the use of CFC's or HCFC's	Environmentally friendly	Environment is protected by not using ozone depleting chemicals
100% recyclable	Environmentally friendly	Never needs to go to a landfill site
Non abrasive	Gives excellent surface protection	Will not scratch or damage finely finished surfaces
Lint and dust free	Will not mark or contaminate products	Can be safely used to protect highly sensitive products
Moisture repellent (closed cell construction)	Inert to water, grease and solvents (below 130° f)	Superior protection against moisture and grease
Light weight	Reduced package weight	Lowers production and shipping costs

Our foam is highly flexible and perfect for surface protection, interleaving and cushioning. It is non-abrasive and will not scratch finely finished surfaces and is moisture repellent so it provides superior protection against water, grease and solvents (below 130° f). It is manufactured without CFC's or HCFC's and is 100% recyclable.
