Dear Valued Customers,

We have been informed by the suppliers of an 13% industry wide price increase due to the rising costs on recycled paper, electricity, and labor.

As a result, we will be increasing all **Kraft Paper, Chipboard, Linerboard, Corrugated Boxes, and Related Paper products** effective March 2nd, 2022.

West Coast Supplies will work closely with you to manage the impact of these price adjustments and keep you abreast of changing market conditions. Please contact your sales representative to answer any questions or to ensure product availability before the price increase takes place.

Thank you for your business and continued support.

Sincerely,
